The Christian Church Capital Area is a regional manifestation of the Christian Church (Disciples of Christ) serving over 40 congregations in Maryland, Delaware, District of Columbia, Northern Virginia and West Virginia. The region offers resources and services to help our congregations live out their witness and ministry in their communities.

ABOUT OUR CAMP STAFF

Each of our camps is planned, organized and executed by a trained volunteer staff, which pays careful attention to the needs and welfare of the campers they are serving. Many of these counselors and directors are giving up their hard-earned and often limited, vacation time for the benefit of our church.
