

We have three types of sleeping rooms available to accommodate your group's needs. Groups can request any combination of these room types.

- *Five Bed Dorm rooms,*
- *Eight Bed Large Group Dorm rooms, or*
- *Two-Three Bed Private room, some w/ adj. bathroom*

Each of the five bed dorm-style rooms on the second floor of our Campbell Hall sleeps five persons. There are 40 single beds available across 8 rooms in this building. Bathrooms are at each end of the hall. (See photo on reverse.)

[A wheelchair accessible restroom was built on the first floor of Campbell Hall. The second floor dormitory rooms are not wheelchair accessible.]

Our large-group sleeping facility is the Disciples House. This building has four large rooms that sleep eight persons each. The four rooms are each equipped with bathroom and shower facilities. This building now has heat or air conditioning, upon request.

Our Barton W. Stone House is a classic early 20<sup>th</sup> century, Eastern-shore 7 bedroom "beach house." The private rooms in this building sleep two to three persons each. Three of the rooms on the second floor each have a private bathroom. The other two upstairs rooms share a bathroom. The two first-floor bedrooms share a wheelchair

accessible bathroom.

The Stone House has a fireplace, its own kitchen and dining room, two separate meeting or lounge areas, a piano, and an old-fashioned front porch. This house is air-conditioned and heated. From Mid-April to Mid-May and during October and early November groups may rent this building and prepare their own meals. Scheduling for "no-meal" retreats is by advanced arrangement with the Manager only.

Our Chapel also serves as the home of the Bethany Beach Christian Church, and is located on the property. This building seats 75-90 persons, and is equipped with an altar, lectern, hymnals, and piano. With an advanced request, it can be used for lectures, meetings, films, dramatic presentations, and training sessions, as well as for worship services, except on Sunday.

*Sunday morning worship and communion services are open to guests and the public.*

For large and small group sessions, the Campbell Hall first floor is available. There are also meeting areas in the Stone House. The main dining hall in the new Tabernacle Building will seat up to 90 persons for meals and its lounge seats up to 25 for meetings.

The CCCA will send out information on the new congregational retreat dates and rates beginning in December each year, after the summer camp dates have been set. However, please feel free to contact us throughout the year. Due to the size of the Center, and the variety of room types, we can accommodate several small groups at the same time. Groups from non-Disciples congregations are welcome to apply for retreat dates. We offer 2-, 3-, 4- & 6-night packages.

The Christian Church Conference Center is a non-profit religious retreat center capable of housing up to 65 guests at one time. It is available to large and small groups from religious and community service groups, with scheduling priorities given to churches of the Christian Church (Disciples of Christ). Established religious groups from churches outside the Disciples of Christ and non-profit social services agency groups may also apply for available group retreats slots each season.

Our Conference Center is located just two short blocks from the boardwalk and Atlantic Ocean at Bethany Beach, DE, which is known as the "Quiet Resort." It is an ideal site for religious retreats, and other church conferences, workshops, seminars, classes, and camps - especially for those who enjoy seeing God's hand in the beauty of the sea. Bethany Beach, which has an excellent reputation for safety, is located between Rehoboth, DE and Ocean City, MD, and is about 160 miles east of Washington, DC.

The Conference Center can be rented for overnight groups ranging from eight to 65 participants. Our operating year is between April and November annually. The rates per person vary by guest age, length of stay, and type of room accommodations requested (see other side). Meals are included in the rates for retreats between mid-May through September.

The Retreat Rates and reservation forms are available by December 1st. Other than periods reserved for CCCA Regional Events and Camps, your overnight retreat or day-time meeting can be scheduled for most of the year.
